Suzy, Peggy, Wendy, Kim. My heart is broke, my soul is at peace knowing God has taken your father home. The last year and certainly the past several weeks, you all worked to comfort your father. I, knowing him well enough to know he was proud to have his daughters at his side during this time. Your father was a southern gentlemen, who respected everyone. I will forever miss my best friend, and hold all memories in my heart , never forgetting the special and respectful bond we had. Our hearts will heal our memories will be forever present, and we will always give frequent thought to the time we were allowed to be with Mr. Robert A. Boettner, Your father, my as well as so many others friend. Forever in our heart, for ever in our memory.
