I fell in love with Bambi's beautiful spirit the day I met her when her and the kiddos were living in Allen. Her sweet kids, have her heart and kindness as well. I loved the time we were blessed to have together while in Allen and trips when they were able to make it back to visit with friends. I will hold the Jordan family near and dear to my heart forever ♥

Bambi opened her heart and home to Larry and I. She was always compassionate, sharing, loving and full of joy. We were so blessed to be able to have her as a friend. I loved her beautiful smile and her laughter. Stanley, Logan, and Spencer may God hold you close, comfort you gently as he continues to carry you through this heart-breaking time.
