We met Kathy on vacation and she was always the life of the party. As her children met the love of their lives her family expanded and the ultimate joy arrived with her grandchildren. I remember our conversations about the love she had for family and Mickey, her children and grandchildren. Family was everything to Kathy. She had such a big heart and I will miss her open honest conversations about life and family. Sending love and condolences from Mike and Linda Davis

Steve and I will always remember Kathy as a fellow vacationer, wine drinking, fun person. I remember laughing with her on our last vacation together with her comment to Frank/Steve saying don't become my Facebook if you don't want to see lots of pictures of my grandkids. She lived for them. She will be missed, but never forgotten.

6/15/23 - I met Kathy just a few years ago in the lobby of Kauffman Center in Kansas City, Missouri. There was a concert for a 1960's music group and we sat at the same small table with refreshments. We just hit it off! I had arrived with a group from Gladstone MO but she had an extra ticket that her aunt didn't use so she asked me to sit with her. That was the beginning of wonderful late night phone calls that lasted at least an hour each time. We shared about our grandchildren and our pups. She always had this sweet and cheery Southern drawl that was endearing. We did chat before this final trip where she had such a challenging time. She was very excited to go with her friend! We kept in touch via text and many prayers were said. I am very, very sad to hear of Kathy's death and will always remember her friendliness and openness. Robyn Downing Gladstone MO

Kathy will be greatly missed. We were very close during the Cedarwood years. Kathy introduced me to Snow village and I will remember her and the kids coming over to help set it up. When I moved to my new house,,,there she was helping to unpack. So many more memories that I will cherish. My heart breaks for her children and grandchildren and her husband. I will miss you old friend. ❤️

Bob and I would like to extend our deepest sympathy to Mickey, Jenny, Chris, and the rest of the family. May memories sustain you and give you peace at this sad time. Kathy was my first friend when I moved to Mandeville over 30 years ago and we have remained special friends. I will miss our long phone calls and her visits here in Texas and at our Louisiana home on False River. We had adventures I will cherish. I will be among many who will miss her terribly. She was so much fun as a friend. She was also kind and generous and loving. She offered to come help me after my heart surgery in February. She said, "and you know I mean it". I wish I had taken her up on it now. She also called to check on my recovery often and always told me she loved me, as I did her. That was Kathy, the friend. She loved her family with everything she had. As Jenny said to me, "they were her life". Rest in peace until I see you again, my sweet friend. Love, Janet Foote
