Dear Kathy and Murphy children. In viewing this tribute video, it shows the love your mother had for you. Sometimes it is not as expressed as often as we would prefer but she cared and loved all of you. Keep memories of her until she is brought back to life with perfect health and glowing as in her youth. Be consoling to each other and become a well bonded family as you suffer this great loss. With love and sympathy for you, I am one of Kathy and Jerry's friend, Elaine Gaudé
