Richard Morgan Martin

JUN 26, 1953 - OCT 29, 2023

Richard Morgan Martin, 70, of Covington, LA passed away on Sunday, October 29, 2023, at home and in the care of his loving family. Rick was born on June 26, 1953, in Danville, IL to Harold Victor Martin and Norma Jean Fulton Martin.

Rick is survived by his mother, Norma Jean Fulton Martin, two sisters Mary Ann Lee and Susan Martin Price and brother-in-law Thomas Jesse Price. Also surviving are nephews and nieces Joshua and Michelle Lee, Matthew Lee and Mindy Gremillion, Jennifer Lee Watson and John Galante who is also his godson.

Rick was preceded in death by his father Harold Victor Martin, his brother-in-law Christopher Lee, his nephew-in-law David Watson and his life-long best friend Wallace “Wally” Smith.

Rick graduated from Covington High School in 1971. After working as a farmer and then a coal miner, he returned to Louisiana and joined his father as a carpenter, eventually starting Martin Trim Company together. Rick like his father believed in a “job well-done” and many of the homes and businesses in St. Tammany Parish and its surrounding areas boast of their work as skilled artisans. Rick retired on February 23, 2023, after being diagnosed with pancreatic cancer.

Rick’s family and friends will tell you that Rick not only worked hard, but he also played hard. He loved spending time with his friends fishing, camping, and watching his favorite teams, the LSU Tigers and the New Orleans Saints. He was the designated chef at family get-together, boiling shrimp and crawfish, frying turkeys, and grilling steaks. He loved the outdoors and was always happiest surrounded by friends and family.

Rick’s life was a testament to love, laughter, and compassion. His memory will forever grace our hearts, and he will be missed by all who knew and loved him.

The family expresses their deepest gratitude to the care provided by Hospice of St. Tammany Parish Hospital and by his oncologist Dr. Gordon Wadge and his gastroenterologist Dr. Nathaniel

My life is better for having you as my friend. You and Wally will forever hold a special place in my heart. Some of my best memories are of you guys. Stories that are hard to equal. You were tough, Sweet, kind and a whole lot ornery. I'll miss you everyday with sadness for the loss, happiness for the memories and appreciation for the friendship that we had. Cheers to you my good friend.
