Mr.Derek you were such an amazing father figure. I couldn't have imagined a better person for my mom. He would always make the best out any situation. When we went to Branson Missouri which was after he figured out about the cancer in his hip he was trying to do the most for our family even thought he was in lots of pain. And he did that was an amazing thing for us to experience with him. I am so grateful that God gave us such an amazing person in our lives. I would have never asked for anything else. We love you Mr.Derek! Hugs and kisses for down here! ☐☐

Dereck you will be missed my friend. Biggest, and kindest heart of any person I've ever known. Never let anyone ever know he was in pain nor could you tell. Conversation was always about how you and your family were doing. A lot to be learn from such a genuine human. Till we meet again bud full throttle across the waves of heaven....
