Janet Ruth Jackson

APR 18, 1959 - DEC 15, 2023

Janet Ruth Jackson passed away peacefully on Friday, December 15, 2023, at her home in Mandeville. She was born in New Orleans in 1959 but grew up in Covington, Louisiana. Eventually, she moved to Mandeville where she lived until her final day. Janet loved Old Mandeville, the lakefront, her kids, grandkids, family, and her dog Dolly.

Janet touched so many lives and was a bright light everywhere she went. She could always make you smile or be so blunt you couldn't help but laugh. She dedicated over 30 years of her life to working at Mandeville High School and was proud to be a Skipper. Janet was loved by many and will be greatly missed.

She was preceded in death by her parents, Troy, and Jerry Prieto Jackson; as well as her longtime partner Arthur Paul Braiwick. Janet is survived by her daughter, Amy Elizabeth Green (Drew), her son, Kyle Hunter Bone (Cayla), her grandchildren Lyla Grace Green, Jackson Thomas Green, and Kaleb Hunter Bone; as well as her brother, Kent Jackson (Linda) and Uncle Lafayette Bruce Jackson.

Our prayers and condolences to Amy, Kyle, Kent, and Linda for your loss. Janet was always a lively person to be around with such a sweet personality. As much as we miss Troy and Jerry there is comfort in knowing they are together having cocktails and a laugh together.

Janet was the face of Mandeville High, literally. When the front doors opened, she was there to greet you. Janet was the very first person that spoke to me at Mandeville, and even years later, her spirit still lingered down the Skipper hallways. Yes, she was blunt, but truthful. Her wisdom helped many students, staff, and administrators over the years. She will always be a Skipper! Janet, you will be missed. Love and prayers to the Jackson family. -Tracey Maranto

Janet was another mother to me. She was kind and funny and honest and charismatic. She taught all of us young ladies how to be tough and brave, how to stick up for ourselves and one another, and how to hit them with a perfectly timed punch line. She showed me her favorite music, movies, and always had the best snacks. She watched us like a hawk, but gave us freedom to screw up—always knowing that we had a safe place to come home to when we did. I think of her constantly, as I mother my children. What would Janet do? How would she handle this? She was a light and smile and hug and the best voice of blunt reason. I will miss her forever. I will love her forever. She will live on through every single soul that went through that school. I wish I could be there to honor her. I love you, Amy & Kyle. Love, Lindsey

My Janet. So many wonderful memories, so many good times, and so much laughing!!! It was the highlight of my day to make it down to the office to get my dose of sarcasm and laughter. Janet was a terrific friend, any a kind and gentle soul. I will miss her greatly.

Janet was there for all of us at Mandeville High. She handled a million things at once and never lost her composure. She was strong and compassionate, and she loved a good time. She helped thousands of Skippers through the years; I hope we name an important place on the campus for her. She will be greatly missed, but she left her grace on all of us. Love to Amy and Kyle. Love, Mrs. Alice Couvillon

What can I possibly say about Janet? She was one of a kind. She really was the most important person at MHS through 3 principals. There was never a question about the goings on there that she couldn't answer. Many many laughs, and yes blunt comments! Losing Art was the only time I saw her lost for answers. I'm so grateful that we know they will be reunited by their love for one another. I feel an unbearable ache in my heart by the void she left in our world. Amy and Kyle, what a gift to be raised by her. What wonderful memories you have to warm your hearts for a lifetime. 💙💙 Much love to you and all her family, Shirley Lobb
