This news took me by surprise! My family and myself really enjoyed having Mr. Larry as my brothers bus driver and a friend. He was always so kind and he loved to race our dog down the road after he'd drop off my brother. I just want to say that I'll keep his family and friends in my prayers as I know this is a tough time. May he rest peacefully 🙏❤️.

Larry was a great friend to my husband, Mack, and to myself, as is Kathleen, also. The four of us shared many meals, holidays, and we traveled together in our RVs. We enjoyed each other's company. When my husband was diagnosed with cancer, Larry made himself available to help whenever needed. I am forever grateful for his and Kathleen's friendship. God bless you, Larry. I know you and Mack are having lunch together right now in Heaven. Hugs, smiles, laughter and love to you, Kathleen, and your family.
