Felicia Peyton Baas

OCT 28, 2002 - JAN 1, 2024

Felicia Peyton Baas, at the age of 21, went home to our Lord on Monday afternoon, January 1, 2024. She was born in New Orleans, LA on October 28, 2002 to Frederick James Baas Jr. and Rosemary Ard Baas.

She is survived by her loving parents Frederick and Rosemary Ard Baas, and her grandfathers Alvin Ard and Frederick Baas, Sr. and her great aunts Maureen Salayon Salas (Frank) and Angie Salayon. She is also survived by Monica Ard Zanetti - aunt (Adolfo, Sophia & Vincenzo); Stephanie King -aunt (Jill); Peter Pelas – uncle; and Lisa Baas - aunt (Wayne, Alex & Alissa). She will be dearly missed by a host of wonderful friends, whom she dearly loved.

Felicia was preceded in death by her grandmothers Connie Battistella Baas and Ophelia ‘Pia’ Salayon Pelas.

A native of St. Bernard Parish, LA, and resident of Folsom, LA for over 15 years, she graduated from Covington High School, in Covington, LA. Felicia would have received her bachelor’s degree in psychology in December from Southeastern Louisiana University.

Felicia was loving, compassionate, and most of all a very caring person to all. She enjoyed spending time with her loving family, friends, and co-workers. However, her true passion was crocheting and crafting. Felicia was unique and irreplaceable, well respected and liked, and will be deeply and dearly missed by all who knew and loved her. Her jovial spirit and tender nature will remain in the many memories of her cherished friends and family until they meet her again.

Relatives and friends are invited to attend the funeral service at E. J. Fielding Funeral Home, 2260 W 21st Avenue, Covington Louisiana on Friday, January 12, 2024 at 12:00 PM with visitation beginning at 9:30 AM until service time.

E.J. Fielding Funeral Home, locally owned and operated, (985) 892-9222, has been entrusted with funeral arrangements.

Felicia was talented and selfless. She was an old soul who was truly too good for this world. She gave love and kindness to everyone she met. She was the best cousin through thick and thin. I wish I had more time with her to grow old and go play bingo as old ladies together but I know she is probably playing bingo and crafting with our granny in heaven. - Alissa Frey

I remember when Felicia first moved down my road and we rode the bus together to school. I was so upset when she went to Jr High and we couldn't see each other every day. She ended up having the brilliant idea to give each other notes through our bus driver. I was so excited to get on the bus everyday to see if she'd written another note. I wish we could have reconnected during high school and she'll always have a special place in my heart as my first real friend

I did not know Felicia well, but she lit up my day every time I hit my spot at Sonic. My little girl loved her, and called her her "Birthday Buddy", because of that one time they were both celebrating their birthdays the same day. She always had time to talk to her. I don't know how to tell my sweet girl that her buddy has gone. Even though we will see her again. I did not know that we shared a passion for crafting and crochet. I will crochet an angel ornament for my tree for her. We will miss her very much.

This picture is one of many presents Felicia gifted me with when I retired in 2016. To say that she was one of the best students I taught in my 30 years is not saying enough 😞 I am so heartbroken. I loved her so. She wanted to play trumpet in 5th grade Band. I didn't have any more. I offered her my personal flute. They were meant for one another. She was so good that her parents bought her one. She was so proud! She made the St. Tammany and Louisiana District 9 Honor Band. She was so awesome that when administrators disapproved of her playing Silent Night the day before the Concert, I said "here, play this!" She performed Have a Holly Jolly Christmas like a pro. She was truly a Gift from God!! I'm thankful for having known her ❤️

I remember going to see Felicia in the hospital. Rose got ticked at me because I kept kicking her bed, Rose'd bed. A few days later, she messaged me and was, "I'm sorry I didn't respond. I went out to have the baby." I was like, "Girl, I was there." Rememberr going to Fee's first birthday and have a great picture of her and my daughter together. They were six months to the day apart.

I'll never forget the first day you showed up to talented music in jr high and how nervous you were because you had to take a bus over to my jr high. (I loved that we were partnered up for our first recital) and once I saw that you were in the band at Covington I was happy to be able to talk and hang out with you before and after games. You were so much fun to be around and once we were out of school I'm glad we still talked and hung out, weather it was to go to the gym cause you knew I hated going alone or even just to go walk around 5 below every minute and hour I spent with you was so much fun. I loved our late night crocheting conversations and you helping me when I couldn't figure it out. I loved seeing all the stuff you used to make it was art so cute. I'm sad that my time with you is now at an end but you'll always be there in my memories. I'll even finish that crochet project you knew I've been dreading to finish just for you, I'll think of you in every strand of yarn I'll miss you so much. ❤️👉

You will be so missed ,if only you knew the impact you have made on so many people's lives especially mine , you were always a shoulder to lean on when I was going through it , you have always been such a bright light to so many people and you will be forever remembered for that. There was never a dull moment where you were not giggling over something , I hope you are resting peacefully gone far to soon ❤️

Lita Burns posted:

I knew Felicia all through junior high and high school. She was actually my younger sister Mayas friend at first. In high school we had a lot of classes together over the years mainly math and science. Not only was she absolutely brilliant (definitely saved my butt on a few occasions) but she was such a wonderful person to be around. She had such an amazing laugh. She'd sit back in her chair in Mrs. Doyle's class and have a full body laugh. A lot of times when I'd walk into class in the mornings she'd already be in there at the edge of her seat waiting to tell me some insane thing she saw or did. The girl always had a story lol. I'm not the only person that she had a huge impact on. I know she had so many people that loved her and she will always be remembered by us younger ones that went to school, or maybe was in band with her. I'm sorry that she had to leave us so soon. I pray that God eases everyone's hearts as time goes on.
