Aline and Fred became part of our Small Group at Grace Point Church and our Small Group was better the instant they came in the room! Their smiles, their courage, their story blessed all of us and we became a closer knit Group! Aline is the beacon of love, joy and smiles! She could say "now Freddy that is enough of that story" and we all smiled as Fred gave her that look! Aline is what a Saint walking on earth looks like! She is JOY spelled Aline! We love you girl. We sure do miss you. Forever part of our Small Group! Rick and Jane Strack

I wouldn't know where to start with my memories of Mom. She was a sports Mom, a teacher, a nurse, an advisor, a psychologist, and a friend. I could share things with Ma and know that her love was endless and unconditional. Mom and Dad taught me what a marriage is and what a mother and father are, which will be with me all my days. She was special and my heart will always be with her as hers will be with me. I love you Ma and I know you are at Peace now with the Lord. We will all be together one day and until then, God bless you and I Love You.

Aline and I shared a very special friendship and knowing her I also met the love of her life, Freddie. Their love for each other was an inspiration and shining example of what true love should be. We had a mutual love of cards and played for many years together before their move to Bentonville. On many occasions I stopped by for martinis and chats with Aline and Freddie and those visits left wonderful memories for me. I'll miss her wonderful smile and her friendship but know she is at peace with God and his angels. My loving condolences to Freddie and her family. Jan Gustafson, Covington, LA.
