From the first time, we were blessed to meet Star, we knew that an angel had come into our neighborhood. She was always thinking of others needs. She was a true giver. Everyone in our neighborhood loves Star. ☆. She always had a very kind word to say about everyone . Despite all she did for others, she never wanted to bring attention to herself... Even though she was so deserving.Star helped me very often at my home potting plants to sell for our Growing by Grace Ministry. She would spend hours with me despite the heat in the summer or cool in the winter and never once did she complain.Star, as her name states, was a shining light for us ALL!!! We thank God for having her in are lives. We are missing her so very much. I am sure she is taking care of flowers and plants in heaven in God's garden. May she rest in peace.Dwight and Mary Johnston
