Jerry Andrews posted:

To the family: After I retired from BellSouth, I worked with Louis building houses for Habitat For Humanity in Covington. He served as the "foreman" of our group of Telephone Pioneers. Louis was our leader, because he knew more about being a carpenter, electrician, roofer, and every other building skill. He held us to high standards and inspected all of our work. Thank goodness! It was my pleasure to get to know him. Retired Telephone Pioneers and Habitat For Humanity has lost a great supporter. Jerry Andrews Bellsouth Retiree
