Still doesn't seem real. To the aunt that had possums as pets and all named George. To the aunt that took care of me when I was very little and your fave memory was me dumping spaghetti on my head and played with it. To the aunt that was so funny and goofy. To you aunt Sandra you are and will be greatly missed. I was so happy to see you one last time at the hospital and sing happy birthday to you.

Will definitely miss this crazy lady. She been my sis in law for almost 40 years. Get togethers will definitely not be the same. Prayers for the family. I know Sandra is living on a high when she got to the gate of heaven and her sweet little Stevin was waiting to greet her. Sandra, RIP.
