Words cannot express the loss I feel , but plenty of words for all the great memories we made together. We were sisters not raised together. I was 37 and you 44 when we got the courage to meet in person. We found we had so much in common. We loved our little vacations we took together. Daytona Beach was one of our favorite places. We went to see the sequoias in California. We loved cruises, took 14 together. Card playing every spare minute in between. So many memories will stay with me always. I loved you with all my heart and will miss you so much. I know you are at peace in your permanent home with Jesus where all pain and sorrow no longer exist for you. May you rest in peace beautiful sister or mine.

Barbara, so sad for our loss! Dolly and I met 70 years ago in grade school. We both took our 1st cruise together and every Tuesday afternoon was our card games. Alas, my sister and I are the only ones still here. We cherish our good times and memories. 😊

**Vic And Barbara Merritt** sent an Ocean Breeze Spray to the Joiner family.
