I am one of Eddie's 1st cousins, Sally E Vermillion Rummier, dau of Henry Gray Vermillion and Eula Joe Tigner Vermillion. I remember Eddie and Marilyn so fondly♥ Eddie was a lot older than I, by about 20 years or more. I always looked up to him when I was a little girl, thinking how sophisticated and handsome he was. And, Marilyn, if you are still around, I know guppy said when guppy two were married that all the family attention was on me and my marriage. But. I remember lots of excitement about you and Eddie in the Vermillion clan- all in the eye of the beholder. Perspective is all that was for you. I also thought how beautiful and gracious you are to me and my parents. We visited you two in your home in 1962 when we were on a long cross country trip together. I was nineteen. You were a caring and gracious hostess while we stayed in your home. Thank you for that. You are a wonderful couple- looking into Eternity. If you read this please contact me at 208.250.6151 in Nampa, Idaho anytime. I would love to hear from you. ♥
