My name is Adrian Nagim (workplace nickname Congo) I want to send my deepest condolences to the family. I worked with Kevin at Chevron for many years, and I enjoyed working beside & for him during his supervisor role. Kevin retired from Chevron and moved to the Northshore. I always told people the north shore was god's country north. I actually grew up in Madisonville, La, and I still till this day live on the north shore. I ran into Kevin a couple of times at Sam's on the north shore, and I would hear someone calling my nick name "Hey Congo", I would look around the store and there was Kevin laughing. He was a great guy and will be missed by many. Sleep in peace my brother, and I pray that the angel Micheal guides you into paradise!! Amen...
