Kim Marie Roger

SEP 7, 1973 - AUG 24, 2024

Kim Marie Roger entered into eternal rest on Saturday, August 24, 2024 at Baton Rouge General Hospice Care surrounded by her family. She was born on September 7, 1973, in New Orleans, Louisiana and adopted immediately by Al and Toni Roger. Kim bravely fought Huntington's Disease for 15 years. While she was able to, Kim researched the disease and was aware and accepting of what was to come in the future.

Kim is survived by her mother, Antoinette (Toni) Lamia Roger and her daughters, Caitlan Jane O'Heeron and Emma Faith O'Heeron: many caring uncles, aunts, and cousins who rallied for her during her last days; and many extended family members and friends. Kim was preceded in death by her father, Alcee (Al) C. Roger, her maternal grandparents, Anthony and Camille Lamia, and her paternal grandparents, Alcee L. Roger and Rosalie Thibodeaux.

Kim had a heart of gold and would do anything to help people. She moved to Houston in 2000 and obtained work in several fields, including the University of Phoenix. She loved family above everything else. During Hurricane Katrina in 2005, Kim was in touch with her Louisiana families to be sure they were safe and find out where they were located. She moved back to Louisiana in 2013 to live with her parents. Some of her favorite things to do were to plant vegetables, listen to audiobooks, hang out with her daughters, watching movies and going to concerts with them, and pranking her parents while staying with them.

Kim raised two amazing and loving daughters. After being diagnosed with Huntington's Disease, her daughters also moved to Louisiana to help care for their mother. In January of 2022, Kim had to go into a nursing home when her family was no longer able to take care of her. She lived there until her death.

Toni, Caitlan and Emma would like to thank everyone who reached out to Kim as her disease progressed. She was grateful for each one who did. We especially thank the nurses and staff of

Toni we have shared so many things growing up. I remember the first time I held Kim. She was such a sweet and beautiful baby. She was Al and your pride and joy. A gift from God. I will cherish the times these last few years that I did get to see her. All that she was going thru she still had that beautiful smile. Caitlan and Emma, I truly mean what I said about being so proud of the things you did for your mom. Just look at each other You will see your mom's love in each others face and smile. Take care of each other and your Nana. Your Pops is holding his Kim and looking down and saying " I will take care of my baby girl. Now you can rest easy knowing she is free." Sending my love to three wonderful ladies that took so good care of Kim.

I believe it was 1987 when I met her. She was in a production at Destrehan theater, I think it was "Fiddler on the Roof" and I was playing keyboard for the show. Years later Forrest and I were at Charity's in Metairie and he was talking to someone and although my back was turned, the voice I heard was very familiar. I turned around and it was Kim. I think she was there with friends. Even now, I can still remember her smile and her voice, which I hear some in her daughters; warm, clear, and friendly voice that lights up the room. I also remember kindness that she extended to others by default, even before getting to know them.
