I met dear Martha when I worked at Motorola for a few months, many years ago. She invited me to lunch one day, and our friendship began. She was caring and fun, and we had many wonderful times together, along with Lou and Ozzie. She was a special person with a fabulous sense of humor! . She loved her family and friends very much, and we all adored her! She had one of the greatest laughs I've ever heard! We all will miss her forever. Sincerely, Cindi Scott Jacoby
