Scott Edward Penton

SEP 26, 1972 - JAN 7, 2025

Scott Edward Penton was born in Bogalusa, Louisiana in the fall of 1972 and died in Gulf Shores, Alabama in the winter of 2025, at the age of 52. He grew up with a deep appreciation for nature and often used it as a source of fun and comfort. He loved his family, fishing, hunting, hiking, gardening and any adventure. He was most at peace in nature or in the kitchen. His love for the outdoors was matched by his unexpected passion for baking bread—a craft he took up in his forties and quickly mastered. He often swapped his camouflage for an apron serving his friends and family bread from fresh milled flour, a charcuterie board filled with fresh fruit, meats and cheeses or his amazing gumbo. He was a collector of recipe books that filled him with the cuisine and culture of many countries, mainly Italian which was deeply rooted in his heritage. Cooking wasn't just a skill it was a way of expressing his love for his family and friends. Scott was a man filled with kindness and generosity always eager to share a comforting word, a hug, a pat on the back or a high five with anyone. He was outgoing and never met a stranger.

He was blessed with wonderful parents who he adored. His father Kenneth Penton worked for St. Tammany Parish School Board and was a reserve deputy for St Tammany Parish, and his mother Marie, has been a hairdresser for 56 years.

Scott built his own path, building a long career in the construction industry as a Senior Project Executive. He could build just about anything and many of the projects he managed included hospitals, hotels, convention centers, transit systems and more. In his personal life he took pride in building his own homes, crafting spaces filled with warmth and character.

Some of his happiest moments involved doing anything with his children, Maleigh, Cassidy or Brayden and it was extra special if they were all together. Some of his proudest moments were serving others and it usually involved food. He loved volunteering at the Ronald McDonald House cooking and serving a hot meal to families in need.

Scott Edward Penton

SEP 26, 1972 - JAN 7, 2025

He was a fierce protector and was always rooting for the underdog. His sensitive heart guided him through life, making him a source of comfort, understanding and support for many.

Scott is survived by his mother Marie Deluca Penton, his wife Ashley Richerand Penton, his children Maleigh Penton (Brandon Ballard) (mother-Jessica Gilliam), Cassidy Baudean (Stephen) (mother-Jessica Gilliam) and Brayden Penton (mother-Faith Jobe), his stepchildren Cohl Belanger, Nicolette Belanger and Brienne Belanger, his granddaughter Dakota Ballard, his brother Steven Penton (Tina), nephew Slayton, nieces Madison and Maison, his brother Kenneth Jeffrey Penton (Angie), nieces Sandra and Heather and nephews Kenny & Eric and many other relatives and friends.

He is predeceased by his sister Sharon Penton, his father Kenneth Penton, his grandmother Matilde Hunt Penton, grandfather Kenzie Penton, grandmother Lena Cacchioli Deluca and Carmel Morris Deluca.

A scripture that brought Scott comfort was Revelation 21:3, 4-With that I heard a loud voice from the throne say: "Look! The tent of God is with mankind, and he will reside with them, and they will be his people. And God himself will be with them. And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."

Relatives and friends are invited to attend the funeral services at E. J. Fielding Funeral Home, 2260 W 21st Avenue, Covington LA 70433 on Saturday, January 18, 2025, at 2:00 PM with visitation on day beginning at 12:00 PM. Interment will follow in Pinecrest Memorial Gardens.

I first met Scott when I was just 16 years old, and from that moment on, we became the best of friends. I am reminded of the countless memories and the profound impact he had on my life. He knew my entire family and I knew his. Scott taught me how to cut firewood, a skill that brings a sense of accomplishment. He payed me \$10 dollars an hour to do trim work, knowing I was only worth \$1 an hour. He brought me hunting, introducing me to the thrill of the outdoors. He picked me up from the airport and let me stay at his house after my grandmother died. That is a testament to his kindness and generosity, especially for a friend in need. Some of my fondest memories of our time together were spent in Hammond, where we would take my boat to the prop stop or go fishing with our friend Shane LaFlamme in Mississippi. Those days were filled with laughter, adventure, and the joy of friendship memories I will forever cherish. Despite the years that passed and the distance that grew between us, Scott and I reconnected during the challenging times of the Coronavirus. I had the privilege of driving to Alabama to see his son play football, and I stayed for four days at his house, reminiscing of the bond we shared, one that time and distance could never diminish. Scott, you will be deeply missed, but your spirit will live on in our hearts. Let us celebrate the joy he brought into our lives. The love he shared with his family and friends. Thank you for the memories, the laughter, and the love. Rest in peace, dear friend. Chad Tricou

Marie, I am so sorry to hear about Scott's death. As I read about him, I think how nice it would have been to know him. He certainly was an exceptional person and I cannot imagine how proud you must be of him and I know you will miss him desperately. What would we do without the love of Christ and without the knowledge that we will all meet again and live eternally with our Savior. Take care my friend, and God bless and keep you. Deanna

Scott liked making people happy and he did. I remember that we got a notice from the post office that our mailboxes were not in the proper position so Scott repositioned his and Ashley's then he repositioned ours up to code. It was a small thing to him because he was a doer and a fixer with a wealth of knowledge and skills and always eager to help. It was a big deal to me because now I can get my mail without scratching my van. Scott did that without telling us which was especially touching and it was a nice surprise. I have some great memories of e-bike riding in the Gulf Shores state park, dining out or sitting in a coffee shop laughing over something or someone. He had a good sense humor I enjoyed very much. I loved Scott when I met him and his handsome self over 30 years ago and still do. I enjoyed being his mother-in-law I hope to see him again in the resurrection without all the struggles, problems and pain he dealt with in his way to short life. I want to see him very much alive, healthy in every way and happy with that beautiful smile on his face ...forever.

Province Robin sent a virtual gift in honor of Scott.

My heart is truly broken for the loss of such a kind, loving, caring and gifted young man. Scott was always positive, uplifting and willing to help anyone in need. He stayed in contact with me, checking on me after the loss of my late husband of 43 years (he thought the world of Scott). Scott's words of comfort meant more than I could ever begin to express. He was there for me, and I'm sure he has been there for many. I will cherish my wonderful memories of him and hold them close to my heart. I'm so incredibly sorry and will pray for his children, family and friends.
