Sharon Gellepis lit a candle in honor of Adrian.

December 6th 2025 Just found out about Adrian's passing. He was a GEM of a man, one of a kind. He along with Paula helped me and my entire family throughout the process of developing land and renovating property in Madisonville,La. The four of us had lunches together and laughed at silly things, if there was a storm in the area Adrian would show up with his chain saw without even calling him, cutting limbs off the road clearing it for passage. He always made sure I had good information and people helping me along the way. So sorry we didn't stay in touch these last few years but I OFTEN think of he and Paula. These ARE the type of people everyone should have in their life at sometime. Our prayers and thoughts are with the family. 🙏 Bill and Sharon

Michelle T Perilloux lit a candle in honor of Adrian.

Scott, I have not seen you or your parents for years. I do remember both your mom and dad fondly from our time being neighbors down by the ball park and through out our school years after we both moved to different areas of town. I am so sorry to learn of his passing. I wanted you let you know you and your family are in my thought and prayers. May God comfort you all. May he rest in peace.Michelle Tyrney Perilloux
