To my Dad...I can't get the words out, at all.. I've been staring at this blank page for over an hour. My heart is broken... but deep down I know everything is okay. I know that you lived and loved your life and everyone in it SO MUCH. It was nothing but laughs and funny, stupid jokes coming from you daily. I wish I could give you one more hug... but until then... rest easy Daddy. I love you so much 🙏🙏
