Marie was very dear to me. As her caregiver, I witnessed a heart of gold! As healthy as she was, Marie rarely complained, even though she suffered a couple of very painful ailments while she was in my care. She was such an inspiration to me! I loved her and will miss her greatly! ... I will never forget telling her that I loved her one night, and she responded, "Love you little, love you big. Love you like a little pig." I have never heard that before. It warmed my heart. :-) Rest In Peace Marie. I love you!
