After the children were grown, she returned to the workforce, working for many years at K-mart until her first grandchildren were born. She later worked as an administrative assistant at Three Rivers and Greenbriar Psychiatric Hospitals in Covington until her retirement.

Hello, I met Amanda at the start of our sophomore year at Brookfield Central High School in Brookfield, Wi. We had quite a few classes together plus we lived on the same street. We enjoyed ice skating and sledding in those Winter months and also indoor roller skating. Over the many years after high school, we lost touch with each other. Then in 2013, I managed to find her on the internet and we reconnected again. We enjoyed many phone calls over the following years but never did get to meet up in person. She will be greatly missed. It' hard to imagine not getting those calls that started with "Hi girlfriend what are you up to" anymore. She was something special. Rest easy my friend. Arlene Wanasek Hertel, Houston Tx
