Dear Gina, Larry, Kim, Michelle, Trey, Bailey, Avery, Evan, Lindsey and Michelle .I am so heartbroken to hear of my very best friend's passing. She was such a unique and wonderful person. She was the kindest friend I have ever had. We laughed and cried together. We went on crazy adventures and she pulled me along side of her and helped create some of the most precious memories I hold in my heart. Mary and I met by chance in my scrapbook store. We both knew from our first meeting that we would become kindred spirits and we did. We enjoyed so many of the same things and she was always there for me. I can only say she is having a grand time in heaven and being amazed at its beauty! She was a sparkling light in my life and I am looking forward to seeing her again in heaven. I will miss her now but know that she is living in heaven and seeing all of her many, many friends and family. Rest in peace my dearest friend. Thanks for all the memories.Love, Bonnie

Mary was a sweet, kind, loving, considerate, and gentle person. She loved the Christmas season and all that it entailed. The bigger, the brighter, the flashiest it could be was her delight. And she loved sharing it with her family and friends. I will truly miss you and all the times we spent together. May you find peace in heaven, and when I look up into the sky and see the brightest star, I will know that it is you making it a better and more beautiful place for all to see. Love, Claudette.
