I shared a few pictures, what little I had left. There was only one of uncle Jack but the other few are of what he made possible. He gave me my family back and I regret throwing it away. I wish I could've made amends with him before he passed. Wish he could've met his two other Grand niece's before his passing. I know he's up there watching over me now though. I pray my Nanny is okay. With love, Jessie
