## Angel "Ang" Dolese

MAY 8, 1961 - DEC 27, 2025

**A**ngel "Ang" Dolese passed away peacefully on Saturday, December 27, 2025, at the age of 64, in Covington, Louisiana. She was born in New Orleans, Louisiana, and grew up in Chalmette, where she attended Andrew Jackson High School. Ang later became a longtime resident of Folsom, Louisiana, where she worked as a baker and contributed to several of Coffee Rani's popular pastries. She was also a faithful member of River of Life Church where she served whole hearted.

Ang's life was firmly rooted in her faith and devotion to the Lord, which shaped the way she loved and served others. One of the greatest expressions of that faith was the deep love she had for her nieces and nephews, whom she affectionately called "her kids." She joyfully supported them through every season of life from, sports, award ceremonies, graduations, and weddings. No distance was too great; whether driving for hours or flying across the country, Ang was always there to cheer them on. She truly was their number one fan.

She was preceded in death by her parents, Clarence "Putty" Dolese and Beverly Dolese. She is survived by her siblings: Clarence Dolese (Lisa), Scott Dolese (Carmina), Kelly Dolese (Lisa), and Frank Dolese (Tammy). She is also survived by her nieces and nephews: Mallory Kirby (Kris), Jade Shepard (Jason), Mariah Peterson (Logan), Caleigh Gourgues (Ben), Dominique Chamberlain (Patrick), and Mitch Dolese (Courtney), along with nine great-nieces and great-nephews.

Relatives and friends are invited to attend a Celebration of Life Service Saturday, January 10, 2026 from 11:00 a.m. to 1:00 p.m. at River of Life Church, located at 72385 LA-1077, Covington, Louisiana 70433.

In celebration of Ang's life and love for sports, guests are encouraged to wear their favorite sports jersey.

E.J. Fielding Funeral Home has been entrusted with funeral arrangements. Please sign the guestbook at <https://www.ejfieldingfh.com>.

I loved her laugh. I meet her at the Covington farmers market many years ago . When she laughed you could hear her all over the market . Our little group would get together around Christmas and go eat. She had such a great personality. She took Walker under her wings. The Saturday before Easter she would bring plastic eggs and throw them around the market grounds for all the little ones that came to the market that day . She had a big and loving heart . She will surely be missed by many.

Rest in peace my sweet friend. You and your mama sure knew how to stuff an artichoke and make a cake. I pray for eternal rest. Ang was the kindest person you'd ever meet. God gained a good one with Angel!

Angel will clearly be missed by many who knew her...valued her, grew along side of her in Faith and, without a doubt, all who loved her. She was a valuable asset to many of us along life's journey. My move to NC 34+ yrs ago clearly created a "distance", but the greeting cards we shared annually for our Birthdays and Christmases kept our friendship special. I will miss her without a doubt. Angel was a very best friend during our high school years. She made everything about HS better and memorable. Despite she graduated the year before me, Ang remained the most loyal friend & fan to many of us at AJHS. I don't recall her ever missing one of our softball games. Ever! I have many cherished memories with Angel, her parents and brothers. Favorites of mine was fishing in the "pond" and attending Fats Domino events. Angel was truly an incredible person! I'm a better person and Christian for knowing her; I truly believe I will see her again one day... until then, never forget I love you always Ang! ~gwen
