Patricia "Patti" Ferguson Brunning

SEP 7, 1946 - FEB 10, 2026

Patricia "Patti" Ferguson Brunning, born on September 7, 1946, passed away peacefully at her home on Tuesday, February 10, 2026, surrounded by the love of her family.

Patti was a devoted wife, mother, grandmother, and great-grandmother whose strength, loyalty, and vibrant spirit touched everyone blessed to know her. She is survived by her beloved husband, Thomas "Tommy" E. Brunning III, and their two sons, Lance Brunning and Casey Brunning. Patti welcomed their wives, Amy and Jennifer, with the same love and devotion she gave her own children.

She cherished her large and lively family. Lance and Amy are the parents of Christian Brunning and Ashley Auttonberry. Ashley brought Patti the joy of five great-grandchildren—Dallas, Beaux, Izabel, Walker, and Aria—each one a light in her life. Casey and Jennifer's daughters, Charlee and Payton, completed the family she adored so deeply, and she treasured the time she was able to spend with them.

Patti was known widely for her unwavering strength and her fierce loyalty to the people she loved. She was a friend who showed up—never missing an event she was invited to, no matter how big or small. She remembered every birthday and milestone, reaching out with calls, cards, or messages right up to her final days. She lived for photos and updates about her children, grandchildren, and great-grandchildren, celebrating their achievements with genuine excitement and pride.

She was unforgettable in the best ways: proudly wearing her beloved mink coats—often heavier than she was—and sometimes even in the heat of midsummer. She loved bright colors and wore them boldly, reflecting the energy and joy she carried with her. Patti said exactly what she thought, never mincing words, yet her honesty was always paired with a warm heart and her laugh could brighten any room. She had a way of making the people she loved feel seen and valued.

I'll never forget her infatuation with Tom Cruise in the movie 'Cocktail' & Kevin Bacon in 'Footloose'! She never held back @ ALL about her opinions, no matter the subject. You'll be missed and never forgotten! ~Blair Parrish Prickett

Patti will always have a special place in my heart for so many reasons when I taught at CHS. She lifted me up, she covered me when I didn't know I needed it. Send words of encouragement on Facebook. I wish I'd had the chance to grab lunch with her in our latter years. We'll have to meet up in heaven and catch up! Sending lots of love to her beautiful family!
