The Mouse lit a candle in honor of Thomas.

I remember the first time Michelle introduced me to Tommy. I knew he was the one for her immediately, I recognized that he was a truly gentle soul that would do anything for those he considered family. Every occasion I spent with Tommy, Michelle and their family confirmed that my first impression was correct. The light he brought to this world will be sorely missed!

I will always remember Tommy for his sense of humor and the way he could people smile. He was fun to be around and brought laughter wherever he went. His spirit and the joy he shared with others will not be forgotten.
