What can I really say 😊 Growing up with Terry, I have so many fond memories. From the watching him break dance on a piece of linoleum in the front yard, memories at school at St. John Bosco in Redford, going ice skating, hoarse back riding and homecoming. Terry was one of a kind, always the protector, a loving, kind soul with a smile that could light up a room and melt your heart ☐ Even though we only kept in touch through facebook through the years, my love for Terry and his family has never wavered 😊 Terry, you will be truly missed, but forever in my heart ☐
