

## Anne Warren Montgomery

September 3, 1930 - April 7, 2020

Anne Warren Montgomery, devoted wife of Levere C. “Monty” Montgomery Jr. for over 68 years, passed into the arms of our loving Lord on April 7, 2020 at their home in Covington, Louisiana. Born September 3, 1930 to Agnes Stanley and Francis Junius Warren in Jacksonville, Florida, Anne was the 8th of 14 children. After graduating from St. Paul’s Catholic High School in Jacksonville, Florida, Anne completed her degree in nursing at the Charity Hospital School of Nursing in New Orleans. In 1949, Anne met the love of her life, Monty, at a nursing school dance. They were married on September 8, 1951. Anne and Monty were blessed with six children: Leanne Montgomery Boland (Jimmy) of Washington, DC, Levere C. Montgomery III (Mimi) of Covington, Louisiana, Warren Montgomery, (Val) of Mandeville, Louisiana, Magee Montgomery Land (Casey) of Indianapolis, Indiana, Karen Montgomery of Easton, Maryland, and Beth Montgomery Johnson, (Nash) of Clinton, North Carolina. Anne was later blessed with twenty-six grandchildren and twenty-seven great-grandchildren, who will forever treasure the memory of their “Grandmom”. Anne was preceded in death by her loving parents and all but one of her siblings, Denis Warren of Jacksonville, Florida. The Montgomery children were raised by their exceptionally loving parents in Metairie, Louisiana. Later, Anne and Monty moved to the Northshore, living first in Folsom and then in Covington. Anne always made an effort to stay connected with her extended family, traveling to Florida for reunions. Eventually, Anne and Monty hosted these family reunions at their home in Folsom. Anne was a gentle, yet very strong lady with many interests. She served as a Girl Scout leader in New Orleans. Anne and Monty taught confirmation classes at St. John the Baptist Catholic Church in Folsom for over 10 years. They received the Order of St. Louis IX Medallion from Archbishop Francis B. Schulte for their service to the Archdioceses of New Orleans. Anne also enjoyed gardening, sewing, tennis, reading, cooking, oil painting, sculpture and traveling. The Montgomery family is indebted to many loving caregivers for their assistance, most especially Arnetta Simmons and Louise Dillon. With gratitude and love, we thank the whole team for their faithful and attentive support. As a nurse, wife, mother and friend, Anne set an inspiring example. Benefiting from Anne’s positive attitude and nurturing support, the Montgomery children try to pass on “Grandmom’s” legacy of a life lived with God, through God, and for God. Our matriarch will always walk beside us

and live in our hearts. Due to the current Coronavirus restrictions, the family had a private gravesite burial at St. Joseph's Abbey. A funeral Mass and celebration of Anne's life will be shared at a future date.

“ Aunt Anne was special to all the Sullivan kids. She was sweet and kind as were all of her sisters.

i am 1 Of 8, my best memory, was coming to Anne and Monty's house in New Orleans, was i was 10, it was my first trip out of Florida. Mom and DAD packed all the kids in a station wagon to drive to our Uncle Jerry's wedding. Anna were Monty were waiting for us on their big white porch.

Aunt Anne, hugged each of us and asked, who are you? and hold old are you? She then took us into he kitchen and asked us what we want to drink, sweet tea, water, white or chocolate milk. She pointed to a two big silver boxes on the counter, and told us that's where the milk is. she took a glass and put it under a plastic tube, raised a handle and milk came out. It was amazing. and then she said have as much as you wanted ,and we did.. I think Uncle Monty went out back to ensure he had enough large milk boxes to keep the taps flowing  
I'm sure we made a mess and drank and ate a lot..but Aunt Anne just smiled and enjoyed our visit.  
What a great Aunt and Person, we will all miss her

“ We were heart broken to hear of Anne's death. The lovely photograph of her reminds us of the wonderful times we spent together. Whether it was a dinner party at Tokalon Place or a barn dance at their Folsom retreat, Anne was the perfect ingratiating hostess. Anne set the tone which radiated through her loving family. Along with Monty, she saw to it that their children prospered and added to their community. Anne's gentle and kind way will be missed. We are better for having known her.

“ To the entire Montgomery family, Miss Anne was truly a gem! She always had that sweet, warm smile as we ran through her house as kids. Throughout all these years, that smile remained. She was truly a beautiful, gracious lady. My deepest sympathy to Monty and all of you.
