“ My sincerest condolences to Harriet's family and to Ellen. I met Harriet in 1987 when I worked as a nurse consultant on the legal team she lead so well and so professionally. She gave me the best advice about a change in career paths and said to never look back as you've made a choice. Stick with it and things will work out. Because of her words of wisdom, I have stayed working at this "choice" for 30 years now. I will never forget her caring soul and profound wisdom/
May you rest in peace, my dear friend. Mary Frances
