

## Gene W. Lafitte Sr.

November 27, 1930 - August 7, 2020

On Friday, August 7, 2020, Gene W. Lafitte, Sr., age 89, died peacefully at home with his loving wife by his side.

Gene was born in Shreveport, Louisiana on November 27, 1930, the second son of Antoinette Hering and Leon Walpole Lafitte. Gene graduated from C.E. Byrd High School in Shreveport at the young age of 16, where he achieved distinction scholastically and athletically on the basketball team.

Gene attended Louisiana State University and received a B.A. degree in 1950 and where he also served as the cadet colonel of the ROTC. He was a 1952 graduate of the Paul M. Herbert Law Center at Louisiana State University where he served as Associate Editor of the Louisiana Law Review and graduated as a member of Order of the Coif. Gene served in the United States Air Force Judge Advocate Corps from 1954 to 1956.

On April 9, 1955, Gene married Jacquelyn Moeller whom he met in 1952. Jackie's partnership during a 65-year marriage was instrumental in every personal and professional challenge and achievement throughout Gene's life. She was also his life-long best friend — "Jackie and Gene." They had three children, six grandchildren and one great-grandchild who were the source of great joy and pride throughout their married lives.

Gene met his second family, Liskow & Lewis, in 1956, where he founded the litigation department, and served for 20 years as the Firm's president and managing partner before being named chairman. He loved his law partners and the practice of law – a career which lasted 67 years. Gene was a passionate lawyer. During the course of his career, he received a long list of professional accomplishments. Gene's induction to the fellowship of the American College of Trial Lawyers in 1972 brought him and Jackie many dear friends. He was deeply honored to serve as President of the College from 1984 to 1985. Gene was presented with the LSU Law Center's Distinguished Alumnus of the Year award in recognition for his personal and professional achievements and loyalty to his alma mater, including serving as Chairman of the Board of the LSU Foundation. He was awarded The

Lifetime Achievement Award in Energy Litigation from the Institute for Energy Law in 2007. Gene was a member of the American Bar Association Standing Committee on the Federal Judiciary from 1981 to 1987, including evaluating the appointments of both Justice Scalia and Chief Justice Rehnquist

Gene loved life and always lived fully in the moment. He had a thirst for knowledge and new experiences. In his later years, you would find him duck hunting, practicing his guitar or standing at his easel painting everything from portraits to landscapes. He believed that laughter is the mainspring of life, which was always reflected in his self-deprecating sense of humor. He will truly be remembered for his humility, integrity, and fidelity to the highest ethical standards. He was a gentlemen of all gentlemen.

Gene will be dearly missed by his sweetheart, Jackie; by his children Lyn Nicodemus (Luis) and David Lafitte (Dawn); by his grandchildren, Ashlan Coffin, Allie Lafitte, Caty Lafitte, Will Nicodemus, Emily Lafitte and Isabel Nicodemus. He was predeceased by his oldest son, Gene Jr. Gene will also be missed by his Liskow and Lewis family and many colleagues.

PLEASE DO NOT SEND FLOWERS or make contributions in his memory.

No memorial events are currently scheduled.

“ A brief encounter with Gene at the LSU Law School was my one contact with Gene. I remember how he welcomed our group and the excellent tour he conducted for us. A real gentlemen.

Jackie, I don't know if you remember me, but know that you have my heart felt sympathy.

“ I was privileged as a paralegal to work with Mr. Lafitte at Liskow for a couple of years after Katrina. He was truly a gentleman and a scholar - and a fine artist as well. He certainly personified a life well lived.

“ As a very young lawyer in the Texaco Legal Department, I remember attending a social event with my wife (Anita) hosted by Liskow & Lewis. The only memory I have of that event is of Gene & Jackie coming over to introduce themselves to us, talking with us and making us feel welcome. There were many dignitaries & more senior/important people there than Anita & me. That Gene and Jackie would take time to visit with us made us feel special. As wonderful an attorney as Gene was, he was an even more wonderful person. He will be greatly missed. Our condolences to Jackie and the family. David & Anita Bond

“ During my time at Liskow, Mr. Lafitte consistently went out of his way to make me feel welcome and get to know me, even though he was largely retired at the time. He was the definition of a class act, and I'm so appreciative of his presence at the firm. Sending thoughts, prayers, and gratitude to the Lafitte family.

“ I met Gene through Sally and Linton Morgan's involvement with Liskow and Lewis. Gene was one of the kindest and intelligent people that I knew. I feel honored to have known him. His family is blessed to have such an incredible man as a husband, father, grandfather and more. His sense of humor was epic; he had a way to make you smile. What a man! Everyone wanted Gene on their team. He will be missed by all.

“ As a golf professional I knew Gene we'll during my time at MCC. He enjoyed golfing with his friends but didn't suffer the frustrations of "taking it too seriously"! He was the best of the best—a man to emulate in every way. My condolences to Jackie—another VERY class act!

“ Whenever a Meyers needed a letter of recommendation (and there are a lot of Meyers who needed multiple letters of recommendation), Gene was the one we always called upon to write that letter. A letter from Gene Lafitte carried great weight because he was so highly thought of by so many. He was a wonderful and loyal friend to our entire family, especially my parents. We loved him dearly.
