

Joy Ann Bilich Carver

January 22, 1938 - October 1, 2020

Joy, a simple word that means great pleasure and happiness. This definition perfectly represents Joy Carver. She was beautiful both inside and out and was a true joy to many people. She uplifted many people with her angelic voice. She led a life of pure happiness, spreading love and kindness to every person who crossed her path.

She will be deeply missed by her husband, John and her daughter, Lori, her husband John and their late son, Blake. She will also be deeply missed by her son, David and wife Kendra and their son, Christian and his fiancée, Isa Rivera, her brother, Jerry Bilich and wife Linda, and sister Jan Bilich, and late brother, Jack and wife, Sandy. This love was also extended to her little yippy, ferocious Yorkie, Deliliah. Joy would be very upset because she would not be here for Christian and Isa's wedding, but she'll probably have the best view. Her love for others will be in our hearts for eternity.

Joy's life was devoted to her loved ones and her Lord. One way she showed her love and dedication to her family was through her cooking. There wasn't a single recipe that she couldn't perfect in her kitchen. Dinner at Joy's house would leave you full for days, but still wanting more. It didn't matter if it was her homemade grits, deviled eggs, her famous bread pudding, or whatever else she prepared. Her cooking left a lasting impression on both family and friends.

Joy had a massive stroke on Tuesday night September 29 and went to her lord early Friday morning on her 60th wedding anniversary. A memorial service will be held at The Village Church-Lutheran, 29180 U.S. Highway 190 in Lacombe at 1:00 PM on Tuesday, October 6. The service will be followed by a private entombment service for the family. A reception will be held in her honor after Co-vid assembly restrictions are lifted. In lieu of flowers, memorials are requested in her honor to The Village Church Feeding Ministry.

“ We are blessed to have known Joy. Funny, loyal, true to God's inerrant words.

The four of us eating at Charlie's steakhouse the Tuesday before Katrina made land fall, Driving past all those places that were great memories. It was a farewell tour of New Orleans shared with two awesome people. It was gift that will never be forgotten.

Our prayers and sympathies are with y'all. Janie & Mike McKim
