

Kennith "Kenny" John Landry

October 27, 1952 - August 16, 2021

Kennith John Landry, "Kenny", was born on October 27, 1952 to Sidney and Clara Landry in New Orleans Louisiana. He grew up and had his best childhood memories with his family on Freret Street in New Orleans. After graduating from De La Salle High School in 1971, he worked in the hospitality industry where he met his wife, Maria. Maria and Kenny married in 1978 and just celebrated 43 years of marriage. They raised 4 beautiful children- Brandon, Justin (Tayler), Ashlee and Alex (Donald). They are blessed with six lively grandchildren Evan, Estelle, Jude, Audrey, Wyatt, and Gabriel.

Kenny served a 30+ year career as an outstanding private investigator where he worked as lead investigator on cases throughout the United States. To Kenny, his integrity and reputation were everything. As one investigator described, "he is the most professional and loyal investigator I ever worked with." He was appointed to the Louisiana State Board of Private Investigator Examiners first in February 2009 by Governor Bobby Jindal and continued to serve at the pleasure of Governor John Bel Edwards.

Kenny loved the outdoors where he spent much of his time hunting, fishing, and relaxing with his closest friends. Given the opportunity he would not skip a beat talking to anyone about the "Camp".

Of all things, Kenny was devoted and committed to his family who he put above all. He embraced fatherhood and there for his kids through the best and worst of times, no matter what. As a husband, he loved endlessly. He referred to his wife as "Sweets", and his Sweets was his best friend.

His faith was always on his heart, and he devoted every Sunday morning to listening to the word of God from his cousin and Pastor Jerry Hobren, one of his dearest friends. In some of his last moments he shared with his family how at peace he was with God. His family knows he has reached the ultimate reward in life and has met serenity in the Glory of God.

Kenny left this earth August 16th, 2021, but in his wake are so many stories left behind. These are amazing stories of him told by his family and his friends. These stories represent the power of Kenny's life in so many of our hearts. Kenny will be greatly missed, but his stories will carry on for generations.

“ I only had a couple of conversations with Kenny at church. We discussed the arthritis in our knees that we shared. Kenny was so excited and happy to share with me about his knee brace and referred me to the vitamin shop that I now use. Just in those few conversations I felt pleasure in having met him. I have been praying for him this past month when I learned he was in the hospital. My deep, heart felt condolences to Maria and the family. As with my own loved ones that have passed, I take great consolation that they are in the arms of our Savior in the most glorious place. We will see you again Kenny. Alina Alexander and family.

“ I will always remember Kenny and myself fishing with the boys when they were little at the Children's Farm in Mandeville. We took a group photo and he was so happy that day . I have always cherished his and Maria's friendship as we raised our families in Lacombe. I know that Our Lord crossed him over to receive his well deserved Heavenly Reward. Terry Hand

“ I have known and worked with Kenny for a number of years and I can still see his smile and hear his laugh. He was the consummate professional and was always on his game. He did an outstanding job as a member of the Louisiana State Board of Private Investigator Examiners. We worked close as he was the Investigative Officer for the Board. He will be missed, not only as a great investigator and Board member but as just a great guy. We had long conversations about hunting and family and wow did he love his family! Maria our deepest sympathies to you and the family. Thank you for keeping me updated and his Board family is here if you need anything. Pat Englade
