“ It is hard to believe that I am in a world without my Mom. She brought me into this place. Sung sweet songs to put me to sleep as a babe. She held me close, to comfort me when ever I was hurt. Seems like she held me close most of my life. She even knew when my heart was hurting and would be there, even if she couldn't make the hurt go away. She was hard on me a lot, but now, I like to think it was to get me ready for a not so nice world. There were lots of times, the roles would change and I would be there to hold her because someone had hurt her badly. I did it with love. She was wrong about many things, as was I . But we loved each other deeply. It was wonderful knowing she was there anytime I needed her. Looking back now, I needed her everyday. She made many mistakes in her life. But I know she is with God and all

those wonderful people we call family. So much love was shared when she met them all again, July 1st. When it came to family, Mom's heart was large and giving. She gave me many things to love in life. The love of a garden. The love of watching birds eat and play. A simple thing like swinging on her porch. I regret so many mean things I said to her. Now those words tear at my heart. I know, she forgives all the wrong I have done and more than that she loves me deeper now than when she first conceived me. Now that you are truly with God, don't let him forget me. Pray for me mama, so one day, I get to hold you again. Give Dad and all the family my love. Know that you are always in my heart. I love you so very much. Your baby boy, Jeff

“ I want to thank everyone who came to say goodbye to Mom. The out pouring of love was felt by every member of our family. We truly love each and everyone of you I would like to take this time to thank a few people, who did so much to help with Mom over the pass six years. I want to thank my wife Laure. She took Mom in without a pause. Also Melissa, Caity and Travis. They all gave Mom respect and love. Mom loved them dearly. I also want to thank my sister Sharon and Brother Butch. They were here helping Mom nearly everyday. Butch took care of all of Mom's finances, brought her to all of her doctors appointment and took Mom out to eat after bringing her to get her hair done. When they saw it was getting difficult for us, they stepped in and started taking Mom to their house

every other month. I also want to thank Ginger Acosta for taking care of Mom for over five years. She was Mom's sitter, but she became more to us all. She is family! I also want to thank the people at Forest Manor, for all they did for Mom the last six months. They went above and beyond to make her comfortable. I have to give a special Thank you to one wonderful nurse at the Manor. Our daughter Caity Desroche. Thank you sweetheart for all you did for Mom. You are the reason I felt comfortable leaving her there. Even though you had so many others to take care of, I knew Mom was in good hands. She loved you Catiy. Lastly, we want to thank all the people at E.J. Fielding for all they did to help us say goodbye to Mom. They were caring and respectful and we did feel the love. Thank you Katie Farris, for all your help. Even went it got a little difficult, you helped and we are grateful!

Family and friends, we would like you to go to E.J. Fielding funeral home, web page and click on Mom's Obituary and leave a word or two for our memories if you have some free time. We are so very grateful to all of you, who loved Mom and prayed for her. You just don't how much that means to us all.

Holy, loving Father, Wrap my Mother's soul in your love. Please Father, give her the happiness that she longed for here on Earth. Tell her we miss her and love her so very much. We pray she is with all of her loving family. Jesus and Holy Mother Mary, we thank you for personally coming to bring Mom home. In Jesus Christ we pray. Amen and amen.

“ Dear Sharon, Jeffrey and Paulette, We are so sorry for your loss and that we were unable to attend her services. We have such wonderful memories of our friend Molly, like bowling, playing cards, enjoying her wonderful cooking or just visiting over the years. It has been a long time since our last visit, but will always cherish her memory.
