“ I worked with Pam for 17 years at STPH. She was such a sweet lady and loved her son and grandbabies so much. She was so proud of them all and kept me updated on them as they grew up. She will be missed at the hospital and I know she will be so very missed by the family she loved so much.

“ I met Pam at Southeastern's nursing school many years ago. She was a little older than everyone else, back then it was called a non-traditional student. I remember enjoying being around her, kinda quiet until you got to know her. We were all with her until we graduated and I know she was well liked...she brought a lot the table, very smart.

I always admired her for going back to school later in life. My deepest condolences to her family
