“ Dear April and family, I was both shocked and saddened to hear of Bob’s passing. We worked together at the VA and I have to say he was one of the nicest men I ever met. He was such a gentleman, good natured, friendly, and dedicated to his job. You and your family will be in my prayers that God gives you peace and strength. Debbie DiLeo

“ Bob Mayo was a happy, kind and helpful man. I had the great pleasure to know him when he worked with GSA then work with him in the Coast Guard District office. As much as he taught me about lindline communications he wanted to learn from me about radio. We traveled to St. Louis together once and attended a baseball game which I will always remember. A great time with a great man.  
I am so sorry to hear of his passing and wish I had kept better in touch after hurricane Katrina. If someone would share with his GSA family the circumstances we would love to know. You can email me at [Keith.Ellison@gsa.gov](mailto:Keith.Ellison@gsa.gov).  
I hope knowing that Bob was such a friend to everyone, a guy we all enjoyed to be around and someone who always made people smile will bring you comfort. Your family is in our thoughts and prayers and we all know, we will see Bob again someday!

“ I remember how his mom would start off kingcake parties for us. She was good about letting us have the parties there if we needed to. Many of the last party that was costume was there as well.  
Bob went shrimping a time or two with my brother on my dads boat and have had a friendship for many years. I know he will be missed by my brother as well as many others.  
To April and Mary I send prayers. May each memory replace a tear. God be with all of you.

“ To Bob's family at this difficult time, I only met Bob once or twice while we both worked for GSA, I remember his smile and kind heart, he always seemed to be happy inside. I know he must have touched many hearts during his time here on earth, and I pray he is in God's presence forever. I pray for comfort to his entire family, Ed Lefebvre.
