“ I am so saddened to hear of the loss of your beloved Will. Many years have passed since I have seen him. But in my mind I remember him so clearly as my ever smiling perfect young fourth grader! If I had favorites, which I probably did, he was certainly one of them! Some kids were a pure joy to teach, and he was one of them. Lisa, I will look through my Schoen photos to see if I have any Will pictures and will get those to you. Prayers for you and your family as you grieve your beautiful son!
