“ So very sorry to hear of Stock’s Passing. My sincere condolences to the family. I Met stock playing pool. He was an excellent pool player. We became friends, and later he helped us by umpiring a few of our baseball games for us. He was very good and was appreciated by all. Rest in peace my friend. Prayers for the family. Paul Houk

“ My fondest memory of Stock was when we were working together. He had a great sense of humor and would always make me laugh telling me jokes just like his father. RIP Stock with the Angels

“ Rest in peace my friend as you will greatly missed! You were the only person that still called me by my pool nickname after all these years! I remember all the times at pool tournaments, whether playing on a team together or against each other on opposing teams. How I always dreaded playing against you because you always beat me. However it was still good times! You left this world way too soon and one day we will see each other at that poolhall in the sky. Milicent (Killer)
