“ She was my typing & accounting teacher. I came to SSA my Jr year & didn't know lot of people. She was sweet, kind, and encouraging. She made me feel as if I had been there all the time. She will always be in my heart. Carol Champagne Pertuit '84

“ Mrs. Brown, as I knew her in high school, had a great influence on my life and my career. Had she not been such an awesome teacher, I would never have discovered my love for accounting. I have been an auditor most of my career. I was always happy to see her smiling face at the SSA Alumnae Easter egg hunts and Halloween festivals over the years. My children loved those events. We were truly blessed to have known such a kind and generous person. She will be missed! My thoughts and prayers are with her family.

She was always smiling & she defiantly loved her family. She is home now reuniting with her as she called him "soul mate Emile" & others. I will miss her smiling face.

“ I had the privilege of helping other nurses care for Mrs. Loesberg. I remember her during my time at SSA and shared my memories of her quirkiness and genuineness with her caretakers. Even though I was not able to speak with family, I hope they know as much as I do how at peace she is now.

“ Mrs. Brown, Susan as I came to call her as an alum was one of the most wonderful people I have ever met in my life. We weren't just her students, we were all her kids. I had her for accounting and was in the yearbook book club because she was just a big influence in many of our lives. I will so miss seeing her at school events and alumnae events. Paul and Kelly, thank you for sharing your mom with so many of us and your families are in my prayers. Rest easy Susan, Heaven has gained another angel.
